KATALOG PROIZVODA

PRODUCT CATALOG

Uvod

Zahvaljujemo na prilici da Vam predstavimo asortiman proizvoda tvrtke Reta d.o.o.

Naša specijalnost je proizvodnja žice i to prvenstveno paljene žice, proizvoda od žice, čavala i građevinskog okova za prozore i vrata. U ovom katalogu pronaći ćete detaljni prikaz artikala iz našeg proizvodnog programa te njihove pojedinačne specifikacije.

Reta je proizvodna (i prodajna) tvrtka koja na tržištu djeluje već više od 20 godina. Klijent je oduvijek bio i trajno ostaje u središtu našeg fokusa. U poslovanju se od samog početka vodimo načelom da je jedini način stvaranja prave vrijednosti oslušivati stvarne potrebe kupaca i neprestano podizati ljestvicu kvalitete. Kontinuirano ulažemo u proizvodnju. Također, svakodnevno radimo na razvoju i širenju asortimana, pratimo trendove i uvodimo nove tehnologije.

Naše poslovne vrijednosti i načela pozicionirali su nas kao vodećeg proizvođača okova, brava i proizvoda od paljene žice u regiji. Kao potvrdu kvalitete i vrijednosti ističemo da Reta posjeduje CE 14 592 i EPAL certifikate za čavle. Naši proizvodi plasirani su u Sloveniji, BiH, Srbiji, Crnoj Gori i Makedoniji, ali su prepoznati i šire pa valja naglasiti da izvozimo i u zemlje izvan regionalnih okvira poput Njemačke.

Introduction

Thank you for the opportunity and privilege to introduce the product assortment offered by Reta Ltd.

We specialize in producing wire, primarily annealed wire, wire products, nails and construction fittings for windows and doors. In this catalog you will find a detailed list of items from our product range together with their respective specifics.

Reta prides itself as a client focused manufacturing and trading company, successfully operating for more than 20 years now. Since the very beginning our business model has followed the principle that the only way to create something of true value is to pay attention to the buyers' real needs and keep raising the bar for quality. We constantly invest in our production processes. Also, we consistently work on developing and expanding our product range, follow the latest trends and introduce new technologies on a daily basis.

Our company values and business principles have made us the leading manufacturer of fittings, locks and annealed wire products in the region. Reta possesses CE 14 592 and EPAL certificates for nails, confirmation of quality and value. Reta products are sold in Slovenia, Bosnia and Herzegovina, Serbia, Montenegro and Macedonia, but are also renowned and exported outside the regional boundaries, for instance to Germany.

*Dobrodošli u
Reta svijet...*

Pristupačne cijene i osoblje koje je uvijek spremno pomoći kvalitetnim stručnim savjetom ili preporukom jamče ugodnu i korisnu kupovinu koja daje rezultate.

Pozivamo Vas da pregledate katalog i slobodno nas kontaktirate ako biste željeli saznati više detalja o nekom od naših proizvoda/sustava. Naš cilj je ispuniti zahtjeve kupca pružajući najbolju moguću uslugu po najboljoj cijeni. Veselimo se Vašem upitu.

Za više informacija, molimo posjetite našu web stranicu www.reta.hr.

Zahvaljujemo na Vašem vremenu i razmatranju.

S poštovanjem,

Reta d.o.o.

Affordable prices and approachable staff who are always ready to offer expert advice or recommendation guarantee a pleasant and useful shopping experience that is bound to produce results.

We invite you to browse the catalog, and if you would like more detailed specifications for any of the systems, feel free to contact us. We aim to meet the objective by giving the best possible service at the best price and we are looking forward to hear from you.

For more information, please visit our website www.reta.hr.

Thank you for taking time to consider us.

Sincerely,

Reta ltd.
